

1. A contractor or its employees working for a resident within an established RPP Zone may use a resident's Guest Permit to park on the street.
2. Vehicles properly displaying a valid permit are exempt from on-street, time-limited parking restrictions posted pursuant to the RPP Program.
3. Proof of working within the RPP Zone such as a building permit or excavation/encroachment permit is required to obtain Residential Parking Permits for contractors.
4. Each qualified contractor or its employees could purchase permits as shown below for a maximum duration of time of completion as stipulated in the above-mentioned permit(s).
 - a. Quarterly permits. These permits are Vehicle-specific and shall be affixed to the rear left bumper or rear left window.
 - b. Monthly permits (hanger type and shall be displayed by attaching to the Vehicle's rearview mirror).
 - c. One-day permits. One book of 25 one-day permits in the form of a paper or similar device, and shall be displayed on a Vehicle's dashboard. Please scratch off the entire silver coating for the date the permit is to be used (month, date, and year). Permit is invalid if more than one day is scratched off.
5. Permits are nonrefundable. Lost, stolen, or destroyed permits may be replaced for the full cost of a permit.
6. Parking Permits are sold in person only at City Hall.
7. Permits are valid for the RPP Zone for which the permits are issued, and are not valid in any other part of the City. A permit does not guarantee or reserve an on-street space.
8. Refer to Exhibit A for cost of permits. These costs are subject to change by Council resolution and as published in the next City Master Fee Schedule.
9. Permits must not be sold, transferred, or allocated to another person. Misuse or fraud may result in Director cancelling all permits.
