Strong Motion Instrumentation and Seismic Hazard/Mapping Program Fees (SMIP)

The California Strong Motion Instrumentation Program (CSMIP) was established in 1972 by the California Legislature to obtain vital earthquake data for the engineering and scientific communities through a Statewide network of strong-motion instruments. Residential construction of three stories and less will use the Category 1 table, and all other construction will use the Category 2 table. These fees increased by the State of California Department of Conservation effective July 1, 2014, as allowed under SB 861. Five percent (5%) of SMIP fees collected are retained by the City for seismic education and data utilization.

ENDNOTES (continued)

- ¹³ Building Plan Check fees are reduced 50% and administrative review fees for both Development Review and Planned Community Permits (PCP) are exempted for Zero Net Energy (ZNE) remodels, retrofits, and tenant improvements (TI), where no new building area is proposed, until such time as these actions are required by the California Building Code (CBC) or International Code Council (ICC). In order to eliminate the reduction and waiver of these fees to coincide with updates to the State requirements, the City Manager is authorized to approve any modifications to these exemptions and waivers as necessary based on the CBC or ICC.
- ¹⁴ Total of these fees (Building Permit, Building Plan Check, Electrical Permit, Electrical Plan Check, Digital Imaging) is not to exceed \$500.00 for single-family and duplex residential unless the development exceeds 15 kW as detailed below (GC 66015).
- Residential

>15kW \$500.00 + \$15.00 per kW above 15.

ENDNOTES (continued)

- 24 On June 28, 2022, the City Council authorized the affordable housing loan fees be modified annually as part of the annual budget process. In accordance with Resolution No. 18698:

- 26 Assessed on single tickets (not subscription tickets) if TheatreWorks (TW) total ticket sales exceeds 50% of total event capacity (per TW contract).
- 27 Minimum four hours required for use of any café, dressing or green rooms, lobby, rehearsal studio, scene shop, or storage.
- 28 Percentage of gross receipts depends on each Home Company contract approved by Council.

- 30 Includes basic staff (Usher).
- 31 All Nonevent/Technical/Rehearsal: minimum of four hours required for use of any stage will be capped at 10 hours.
- 32 The fee structure for nonprofit renters of the SecondStage may be applied to booking events that are live performances (music, theatre, dance, or comedy improvisation (not film/video)).
- 33 The deposit is based on the cumulative cost of a Heritage Tree Removal Permit (see Planning section of Community Development), the cost of labor and materials to remove Heritage trees, the cost of labor and materials to plant replacement trees (24" box min. at a 2:1 ratio), and a one-hour Senior Planner Fee (see Planning section of Community Development). All elements of the security deposit are refundable (if no trees are damaged), except the administrative fee. Contact the Community Services Department to determine whether a security deposit is required.
- 34 Seven Hundred Fifty Dollars (\$750.00) per tree to offset the costs of purchasing and installing a 24" landscape tree at wholesale value. The average cost of a 24" box tree is \$250.00 plus transportation and labor for planting estimated at \$500.00.
- 35 The City Council authorizes the Community Services Director to set and adjust fees as long as cost-recovery ranges and target rates are maintained. Most Nonresident fees are higher than Resident fees. The flexibility to set and adjust fees maximizes revenue by allowing staff to differentiate pricing in response to fluctuations in the market or demand, package programs to increase participation, and/or promote new programs (City Council Policy J-2). The City provides financial assistance (FAP) to eligible low-income residents registering for youth recreation programs (i.e., classes, camps, Deer Hollow Farm). On December 13, 2016, the City Council revised the FAP to a two-tier system. One tier is a 90% subsidy up to \$500.00 per child if their family's household income is "extremely low" or "very low" under HUD guidelines. The second tier is a 75% subsidy up to \$400.00 per child if their family's household income level is "low" under HUD guidelines. On December 13, 2016, the City Council gave approval for staff to make future amendments to the FAP through amending the Master Fee Schedule as part of the City's annual budget process.
- See Recreation Guide or call Recreation at 650-903-6331 for more information.
- R = Resident
NR = Nonresident
- 36 Ten percent (10%) discount to those teams that register and pay all team fees for the season 30 days or more before deadline date.
- 37 The Masters Swim Club pool rental is based on a masters population at 50% R and 50% NR. If this enrollment changes significantly, the City reserves the right to renegotiate contract fees.
- 38 Does not include field trip admission.
- 39 Rate based on type of tennis class (private, semiprivate, group), skill level, and specialty training.
- 40 Fee range to reflect type of tennis lesson, age group, and private, semiprivate, or group.

ENDNOTES
(continued)

- 49 Rate applies to member club assigned play day only.
- 50 This fee includes both the purchase of a minimum of \$6.00 per player of Pro Shop merchandise (intended for prizes) and an administrative fee of \$1.00 per player. Includes a small bucket of balls.
- 51 Reimbursement for additional hours related to Environmental Safety Permits but outside the scope of the services offered as part of the permit.
- 52 All annual permit fees authorized by IFC 105 shall not exceed a total amount of \$486.00 (\$243.00 x 2 permits) per occupancy (see Attachment F). Fire prevention fees are in addition to hazardous materials fees authorized by MVCC Chapter 24.

PARK LAND DEDICATION IN-LIEU FEE—LAND VALUES BY DENSITY CATEGORY

On April 13, 2021, the City Council amended Chapter 41 of the City Code, the Park Land Dedication or Fees In-Lieu Thereof Ordinance. As part of those amendments, the Ordinance requires an appraiser to determine fair market value ranges for an acre of land for each density category in Chapter 41, which must be adopted by Council resolution. To effectuate this requirement, staff included the appraised fair market value ranges as part of the budget process in Resolution No. 18698, which was adopted by the City Council on June 28, 2022 and made effective July 1, 2022.

Pursuant to Mountain View City Code Section 41.8, the following are the Land Values by Density Category effective July 1, 2022:

Land Value Range Per Acre For Calculation	Fee Amount
Low Density (1-6 dwelling units (du)/acre)	\$150 to \$170/square feet of land
Medium-Low Density (7-12 du/acre)	\$160 to \$190/square feet of land
Medium Density (13-25 du/acre)	\$200 to \$250/square feet of land
Medium-High and High Density (26+ du/acre)	\$270 to \$310/square feet of land

SCHEDULE OF FUTURE UTILITY RATE ADJUSTMENTS

Pursuant to Government Code Section 53756, for each fiscal year through Fiscal Year 2024-2025: (1) future Water, Wastewater, Trash, and Recycling rates may be adjusted to reflect the annual change in the February CPI for All Urban Consumers in the San Francisco Metropolitan Area as published by the U.S. Department of Labor, Bureau of Labor Statistics, or any successor to that index, of each year, provided that no such increase may establish rates which exceed the City’s actual cost to provide service; and (2) Water and Wastewater rates may be adjusted to reflect third-party (supplier) pass-through cost increases in the wholesale cost of water or treatment of wastewater provided to the City of Mountain View as a percentage of the City’s total operating costs multiplied by the rate increase received from the third-party supplier (SFPUC, SCVWD, or Treatment Plant).

Fiscal Year 2023-24 reflects the tenth year (last phase-in period) 2.0% rate increase, excluding inflationary and pass-through increases that may be applied, for Sewer rates for Treatment Plant capital costs as noticed and approved at the June 22, 2021 public hearing.

Future 2.0% rate adjustments excluding inflationary and pass-through increases:
