

RENTAL RESERVATIONS

Local Vendor Resource List

Nestled between the Santa Cruz Mountains and San Francisco Bay, the City of Mountain View is a diverse community, ideally located in the heart of the Silicon Valley (10 miles north of San Jose and 35 miles south of San Francisco). At just over 12 square miles, the city is home to approximately 75,000 residents, nationally and internationally known corporations, as well as a thriving small business base.

Mountain View prides itself on providing excellent public services and facilities that meet the needs of a caring and diverse community in a financially responsible manner. In an effort to provide clients with access to information that will assist them in planning their event(s), the City of Mountain View—Local Vendor Resource List has been compiled to highlight a variety of resources within our City and throughout the local region that may be of service to you. While we have gained some familiarity with the different businesses, it is your responsibility to fully research and ensure your event's utmost success. If you have any questions regarding the City of Mountain View—Local Vendor Resource List, please contact your City of Mountain View staff liaison for additional information. Thank you!

Insurance + Food Truck Requirements

Overall Insurance Policy: In an effort to minimize risk of loss as well as liability, the City of Mountain View requires insurance for all vendors providing \$1 million commercial general liability, automobile insurance, workers compensation, and additional insured endorsements naming the City of Mountain View as additional insured. In addition, insurance is required for your event occurrences, and may be obtained by submitting payment and paperwork at the time of booking your rental event.

It is the client's responsibility to ensure that all vendor documentation be submitted a minimum of ten (10) business days prior to the event, and is ideally submitted at the final walk-thru appointment which occurs approximately thirty (30) days prior to your on-site activity.

Pre-Approved Vendors: In this packet, a list of rental, lighting, staffing and catering companies are shown as pre-approved vendors on page two. For these vendors only, no additional documentation is required, as these companies have already submitted insurance to work on site.

Should you have any specialized dietary, cultural and/or other catering requirement (s), please request additional information on how to submit insurance for review.

Food Truck Permitting: The food truck resource list (shown below) includes food trucks that have previously been approved as City of Mountain View mobile vendors, and additional mobile vendors that may also have interest in working on-site.

If the food truck you select does not already have a current-year City of Moun-

tain View mobile permit for the year that your event is scheduled to occur, please submit a complete insurance packet for review in advance of your rental date. As always, it is recommend this process begin early as it can be a multi-stage process to obtain all of the insurance paperwork.

Waiver Requirements: For all other vendors that are contracted to work and/or deliver on site, a Voluntary Assumption of Risk, Release of Liability and Indemnification Agreement must be submitted, or a full insurance packet may be reviewed following the same requirements.

The waiver is shown on page 15 of the Rengstorff House rental packet.

Waivers are not required for friends and/or family providing help and/or event support and/or logistics related to the event.
