Local Vendor Resource List

Nestled between the Santa Cruz Mountains and San Francisco Bay, the City of Mountain View is a diverse community, ideally located in the heart of the Silicon Valley (10 miles north of San Jose and 35 miles south of San Francisco). At just over 12 square miles, the city is home to approximately 75,000 residents, nationally and internationally known corporations, as well as a thriving small business base.

Mountain View prides itself on providing excellent public services and facilities that meet the needs of a caring and diverse community in a financially responsible manner. In an effort to provide clients with access to information that will assist them in planning their event(s), the City of Mountain View—Local Vendor Resource List has been compiled to highlight a variety of resources within our City and throughout the local region that may be of service to you. While we have gained some familiarity with the different businesses, it is your responsibility to fully research and ensure your event's utmost success. If you have any questions regarding the City of Mountain View—Local Vendor Resource List, please contact your City of Mountain View staff liaison for additional information. Thank you!

City of Mountain View—Vendor Policy Overview

In an effort to minimize risk of loss as well as liability, the City of Mountain View requires insurance for all vendors providing \$1 million commercial general liability, automobile insurance, workers compensation, and additional insured endorsements naming the City of Mountain View as additional insured.

In this packet, a list of rental, lighting, staffing and catering companies are shown as approved vendors. For those

vendors only, no additional documentation is required on your part in order for the vendor to work onsite.

For all other vendors, a Voluntary Assumption of Risk, Release of Liability and Indemnification Agreement must be submitted in order to be permitted to work on City of Mountain View premises. It is also preferred that vendors submit proof of insurance, in lieu of signing the waiver.

As a rental client, it is recommended that you obtain a signed waiver from each vendor at the time of initiating a contract with them. Waivers are only required for vendors entering official City of Mountain View premises, and/or when a contract is required as a term of providing the service.

Please submit (original) copies of vendor documentation for each vendor at the time of making final payment, a minimum of 30 days prior to your rental event.
