# DIRECTOR'S MESSAGE

It seems like the fall season is flying by us as we prepare for winter to settle in. I hope you and your families have enjoyed the various programs and special events offered by the Community Services Department over the last few months.

The Community Services Department staff is once again preparing for the Annual Tree Lighting Celebration on Monday, Dec. 4. We are making some fantastic changes to this event this year and encourage you to come celebrate the season with us along with your family and friends.

I am happy to provide a few park project updates on behalf of the Community Services Department and Public Works Department:

The City opened our newest park, Fayette Park, in mid-October. The park is located in the San Antonio area, and totals 0.45 acres. This park includes a fun playground, large grass area and picnic tables surrounded by trees.

We are excited to see construction continuing at Rengstorff Park where a number of projects are currently underway:

- The Magical Bridge Playground, an all-inclusive playground that will be approximately 1-acre in size, is currently under construction near the tennis courts. In addition to the new playground, as part of the construction, a new restroom facility will be built and the parking lot will be slightly expanded. These new additions are expected to be open in the fall of 2024.
- There is additional construction near the BBQ area and parking lot to create a new restroom and a staff maintenance facility. This facility is also expected to be completed in the fall of 2024.
- The new Rengstorff Park Aquatic Center is currently under construction and you can see the new building and pools taking shape. We look forward to opening this facility as a year-round aquatics facility by spring 2024.

Finally, the Community Services Department held a project kick-off meeting for the new Parks and Recreation Strategic Plan in late August. Staff continue to look for opportunities to host pop-up events to gather more information from the public. Residents will start receiving notices in the new year of a community survey that will be launched to support the Plan's development. # Ready to register?

Read the below first

**Class Attendance and Registration** • You're excited and we're excited that you're ready to jump into an activity. Before you do, though, make sure you're already registered to participate. Registration does not happen in class, please make sure to register online.

**Waitlist** • Drats! You were this close to getting in! Your name will be placed on a waitlist if the class is full. At the program supervisors discretion, another class may be added to accommodate for participants on the waitlist. You will be given a 24-hour deadline to submit your Registration Form and payment. If your Registration Form and payment are not submitted by the given deadline, you will be removed from the waitlist and the next person on the list will be contacted.

**Age/Birth Date** • To register, participants must be within the required minimum and maximum age by the first day of class. All participants 17 years of age or younger must provide their date of birth. Proof of age may be requested.

**Transfer** • Need to transfer from one activity to another? You may transfer to another activity as long as you meet the minimum age requirement, there is space available and you send your written request three (3) business days before the first day of class. So that means if class starts on Monday, you have the Wednesday before to transfer. Email your request to [Recreation@MountainView.gov](mailto:Recreation@MountainView.gov). You will be assessed a \$10 processing fee per transaction.

**Withdrawal** • If you need to withdraw from an activity and receive a refund, e-mail us at [Recreation@MountainView.gov](mailto:Recreation@MountainView.gov) no less than five (5) business days before the first day of class. You may also submit a Withdrawal Request Form that you can download by visiting [MountainView.gov/Register](http://MountainView.gov/Register). Just so we're on the same page, if your class starts on Monday, your last day to withdraw is the Monday before that class. You will be assessed a \$10 processing fee per transaction.

**Missed a day?** • Unfortunately, no refund or make-up classes will be issued for any missed activity by the participant.

**Once a class begins, can I still join or transfer?** • Yes! We do not prorate any of the days that have already taken place, though. You just need to catch up with everyone else at the next class!

**Behavior Violation** • Participants receiving three (3) behavior violations will be removed from the specific program.

### Wait, what? You canceled my activity?!

Classes not meeting minimum registration levels will be canceled. Participants will be notified approximately three (3) business days before class begins and issued a full refund, or be eligible to transfer to another class if space is available. Participants transferring will be responsible for any additional fees.

Engaged learning at a tennis court near you.

## MOUNTAIN VIEW TENNIS

Mountain View Tennis offers a racquet sports fitness program at public parks that is unique in the Bay Area. Since 2009, we've taken a holistic approach to public tennis instruction that balances the health and wellness of the individual with public accessibility to professional coaching and open access to courts for local residents.

Our Engaged Learning Approach, with low student-to-coach ratios, means you'll learn rapidly in the context of an aerobic, one-to-one rally with a partner, as opposed to traditional "stand and wait" drills. In addition, we offer flexible class sessions that combine the benefits of a planned skills progression with the flexibility to adjust your class times each week.
