

CITY OF MOUNTAIN VIEW PROCLAMATION

WHEREAS, we have all witnessed racial divisiveness rising in America's urban, rural, suburban, and tribal communities today that threatens the very core of this great country's unified front; and just like those who came before us, it is our duty to protect the children of this country and maintain communities in which they may all be given the opportunity to succeed; and

WHEREAS, we understand and recognize that there is a racial divide in our country, and we must all work earnestly to heal the wounds created by racial, ethnic, and religious bias and build an equitable and just society so that all children can thrive; and children have the right to be provided every opportunity to learn, grow, and thrive in nurturing environments that do not violate their safety, dignity, and humanity; and

WHEREAS, every single person has the capability to make a simple change within him or herself that can have a profound effect on an entire society; and if we all dedicate ourselves to the principles of truth, racial healing, and transformation, we can all bring about the necessary changes in thinking and behaviors that will propel this great country forward as a unified force where racial biases will become a thing of the past; and

WHEREAS, racial healing is a vital and crucial commitment to the education, social, mental, and overall well-being of all our children; and the City of Mountain View, in conjunction with others throughout the United States of America, acknowledges the Tuesday following Martin Luther King, Jr. Day as the "National Day of Racial Healing," and urges all citizens to promote racial healing and transformation in the ways that are best suited for them individually, as a means to working together to ensure the best quality of life for every child;
